

PRIVACY POLICY OF THIS WEB SITE

This page will describe management of our web site as regards processing the personal data of users that visit us.

This information is provided - **also in pursuance of Section 13 of Legislative Decree no. 196/2003** - to any entity having to do with the web-based services that are made available by the "Garante per la protezione dei dati personali" (Italian Data Protection Authority) via electronic networks as from the following address:

<http://www.faeda.com>

which corresponds to the home page of our official web site.

The information provided only applies to our web site and does not concern any web sites that may be visited by an user via external links.

The information provided is also based on the guidelines contained in Recommendation no. 2/2001, which was adopted on 17 May 2001 by the European data protection authorities within the Working Party set up under **Article 29 of European Directive 95/46/EC** in order to lay down minimum requirements for the collection of personal data online - especially with regard to arrangements, timing and contents of the information to be provided by data controllers to users visiting web pages for whatever purpose.

The above Recommendation as well as a summary of its purposes can be found in another section of this site.

DATA CONTROLLER

Visiting this site may result into the processing of data concerning identified or identifiable persons. The data controller is Faeda SpA, Via Roggia di Mezzo 53 – 26050 Montorso Vicentino (VI)

PLACE WHERE DATA IS PROCESSED

The processing operations related to the web-based services that are made available via this website are carried out at the aforementioned office of Faeda SpA exclusively by technical staff in charge of said processing, or else by persons tasked with such maintenance activities as may be necessary from time to time.

No data resulting from web-based services is either communicated or disseminated.

Any personal data that is provided by users requesting to be sent information materials such as bulletins, CD-ROMs, newsletters, annual reports, answers to questions, decisions and sundry provisions, etc. is only used to provide the service and/or discharge the tasks requested and is disclosed to third parties only if this is necessary for the said purposes.

CATEGORIES OF PROCESSED DATA

Navigation Data:

The information systems and software procedures relied upon to operate this web site acquire personal data as part of their standard functioning; the transmission of such data is an inherent feature of Internet communication protocols.

Such information is not collected in order to relate it to identified data subjects, however it might allow user identification per se after being processed and matched with data held by third parties.

This data category includes IP addresses and/or the domain names of the computers used by any user connecting with this web site, the URI (Uniform Resource Identifier) addresses of the requested resources, the time of such requests, the method used for submitting a given request to the server, returned file size, a numerical code relating to server response status (successfully performed, error, etc.), and other parameters related to the user's operating system and computer environment.

These data are only used to extract anonymous statistical information on website use as well as to check its functioning; they are erased immediately after being processed. The data might be used to establish liability in case computer crimes are committed against the website; except for this circumstance, any data on web contacts is currently retained for no longer than seven days.

Data Provided Voluntarily by Users:

Sending e-mail messages to the addresses mentioned on this website, which is done on the basis of a freely chosen, explicit, and voluntary option, entails acquisition of the sender's address, which is necessary in order to reply to any request, as well as of such additional personal data as is contained in the message(s).

Specific summary information notices will be shown and/or displayed on the pages that are used for providing services on demand.

COOKIES

What they are and what they do:

Cookies are small files stored on your computer's hard drive and are used to provide services and / or information.

There are two types of cookies: technical and profiling cookies.

Among the technical cookies, which are used for normal usability of the navigation on the site, as well as to improve the service, exist session cookies, analytics cookies and functionality cookies. Session cookies guarantee normal navigation and use of the web; analytics cookies are used to collect information in an anonymous and aggregated way, on how many users visit the site; functionality cookies allow navigation on a set of selected criteria basis (such as language) in order to improve the service.

Profiling cookies, however, are used to outline the profile of the user and his interests, in order to allocate effective and targeted advertising messages, even by third parties.

Cookies used:

The site Faeda.com uses cookies related to technical capabilities of Google.com and Youtube.com, of which you can view the full information at the following link:

https://www.google.com/intl/it_it/policies/technologies/cookies/ .

On the site, there are also profiling cookies, even though only of third-parties such as Youtube, for which you can view the full information on the above link.

Cookies setting:

please note that any user may at any time decide to allow or not the use of cookies on his computer, using browser settings. Below the links relating to the instructions for disabling cookies depending on the type of browser:

Please note that disabling cookies may disable certain functionality of the site. In any case, even disabling all cookies, the browser will continue to store a small amount of information, necessary for the core functionality of the site.

OPTIONAL DATA PROVISION

Subject to the specifications made with regard to navigation data, users are free to provide the personal data either to be entered in the application forms submitted to the Office or referred to in contacting the Office to request delivery of information materials and other communications.

Failure to provide such data may entail the failure to be provided with the items requested.

PROCESSING ARRANGEMENTS

Personal data is processed with automated means for no longer than is necessary to achieve the purposes for which it has been collected.

Specific security measures are implemented to prevent the data from being lost, used unlawfully and/or inappropriately, and accessed without authorization.

DATA SUBJECTS' RIGHTS

Data subjects are entitled at any time to obtain confirmation of the existence of personal data concerning them and be informed of their contents and origin, verify their accuracy, or else request that such data be supplemented, updated or rectified (**Section 7 of Legislative Decree no. 196/2003**).

The above Section also provides for the right to request erasure, anonymisation or blocking of any data that is processed in breach of the law as well as to object in all cases, on legitimate grounds, to processing of the data.

All requests should be to **Faeda SpA**.
